# ABOUT US

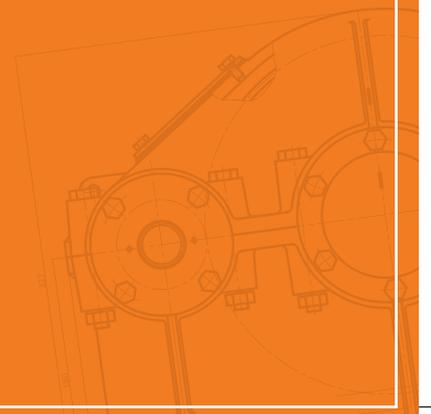

At KAMCOM INDIA, we pride ourselves on being a multifaceted export house with a strong presence across multiple regions in India, including our primary office in Malad, Mumbai. Our expertise lies in end-to-end project solutions for steel melting and processing, from ore to finished products. Additionally, we have notable achievements in sectors such as Cement, Chemicals, Mines, Material Handling, and Plastic Processing.

With a wealth of experience in executing large-scale international projects, we have established ourselves as trusted providers of spare parts, services, tools, tackles, raw materials, and consumables. Our portfolio includes successful project executions and ongoing support for plants abroad in areas like:

- Induction, Arc, and D.C. Arc Furnaces
- L.R.F. and A.O.D. systems
- Induction Billet Heaters
- Continuous Casters
- Hot and Cold Rolling Mills
- Galvanizing and Pickling Lines
- Color Coating Lines
- Wire Drawing Facilities
- Substations and Power Plants

Beyond steel and industrial processing, our competencies extend into other industries through close collaborations with renowned suppliers across India. We operate with a strong emphasis on quality, ensuring that time and performance are integral to our operations. Meeting customer requirements on a "war footing" is our hallmark.

As a proud sister concern of a KAM HOLDING LIMITED, KAMCOM INDIA is a name you can trust for reliability, professionalism, and superior results.

## VISION

Our vision is to be the global leader in industrial solutions, renowned for our commitment to quality, innovation, and excellence. We aim to empower industries worldwide by connecting them with superior Indian engineering and technology, fostering sustainable growth and development.

## MISSION

Our mission is to bridge the gap between Indian manufacturers and international markets by providing top-notch industrial equipment, exceptional customer service, and comprehensive solutions. We strive to:

- Deliver high-quality products that meet the diverse needs of our clients.
- Foster long-lasting relationships with our partners and customers.
- Drive innovation and continuous improvement in all our operations.
- Promote sustainable and ethical business practices.
- Ensure timely and efficient delivery of our products and services.
